

## EXPRESSION OF INTEREST

Purchase expression of interest are made for commercial business of appliances and electronics products in Marina di Altidona (Fermo).

Activity involves the sale of TV, telephony, large and small household appliances, as well as on-site assistance and repair services, but also at home.

Over forty years of activity in the area have enabled us to build a good startup business over time, which today is represented by a large customer portfolio.

It should be noted that the activity extends to all cities of the Val d'Aso and neighboring Porto San Giorgio and Cupra Marittima. This wide range of action is favored by the strategic position of the shop (which is unchanged from opening the business) along SS 16 and 150 m. from the motorway exit of Pedaso.

All appliances are sold as well as furnishings and instrumentation in store.

Possibility to lease the existing 80 sqm space where is activity and additional warehouse of 50 sqm located in the same building.

There is a willingness on part of seller to co-operate with buyer for a reasonable period in order to facilitate the takeover of the buyer.
