

Total Value: € 13.415

Prog.	Code	Description	Quantity
1	S27	pallet containing components for barriers	1
2		pallets containing various components for rolling shutters and gates	7
3		pallets containing various components (mergers, extruded lids)	5
4		pallets containing various components for engines, arms for gates, controvasi and handle pieces	7
5		pallets containing various components	4
6		crates containing components varies	2
7		box containing a box of various components for photocells	1
8		crates containing components varies	4
9		pallets containing various components	3
10		crate containing various elements	1
11		crates containing components varies	6
12		pallets containing various components	2
13		metal boxes containing various components	5
14		pallets containing components for barriers	3
15	S12	pallet containing worms for BIG FOOT	1
16		pallets containing various components BIG FOOT	2
17		crates containing components varies BIG FOOT	2
18		pallets containing stators for BIG FOOT	3
19		pallet containing mergers BIG FOOT	1
20		pallet containing carter for BIG FOOT	1
21		pallet containing stators for BIG FOOT	3
22	pallet containing rotors for BIG FOOT	1	
23	S5	bundles of aluminum profiles	12
24	S38	pallet containing curved arms	1
25		pallet containing extrusions for columns	1
26		pallet containing worms	1
27		pallet containing flashing carcasses	1
28		pallet containing media for flashing	1
29		pallet containing flashing funds	1
30		pallet containing sheets	1
31		box containing gears and various elements	1
32		pallets containing plates, controvasi and supports for barriers	3
33	S37	pallet containing plants to be programmed SIGILERXATI	1
34		pallet containing painted aluminum selectors	1
35		pallet containing various flashing	1
36		crate containing circuits for various remotes	1
37		chest containing flashing lights, switches and chargers for remote controls	1
38		pallets containing various electrical boards	1
39	pallets containing engines from 24 V	2	
40	S6	pallets containing junction boxes	3
41	S8	pallets containing aluminum extrusions MAGI	2
42		chest containing various components MAGI	1
43		pallets containing various components MAGI	2
44		pallet with extruded lids for MAGI	1
45		pallets containing various components for EPO	1

Prog.	Code	Description	Quantity
46	S15	pallets containing raw stators for EPO	3
47		pallet containing wound stators for EPO	1
48	S16	pallets containing ABI barriers	2
49	S28	pallet containing spare parts for various barriers	4
50		pallets with spare parts varied and n. 1 motor 110 V	1
51	S31	n. 1 pallet containing internal air conditioning units and a control clock for presences SOLAR - n. 1 pallet containing two external air conditioning units	---
52	S13	pallets containing various components and controbase for IDEA	2
53		pallet containing plastic components for IDEA	2
54	S14	pallet containing plastic components for MITO	1
55		pallets containing mergers, controbase and components varies MITO	3
56	S36	plastic pallets containing encoder and magnets	1
57		crate containing plastic for photocells	1
58		pallet containing plastics for flashing yellow light	1
59		pallet containing various plastics and crankcase	1
60	S2	pallet with approximately. 90 boxes neutral 370X250X370	1
61		pallet with approximately. 190 cartons neutral 895X290X207	1
62		pallet with approximately. 70 boxes neutral 275X235X1105	1
63		pallet with approximately. 158 cartons neutral 880X285X35	1
64		pallet with approximately. 50 boxes neutral ELTRA	1
65		pallet with approximately. 90 boxes neutral	1
66		pallets with various dividers	5
67		pallet with approximately. 100 boxes neutral	1
68		pallet boxes with small neutral	1
69		pallet with approximately. 250 boxes neutral 700X205X60	3
70		pallet with approximately. 120 boxes neutral	1
71		neutral pallet boxes	4
72		pallet with approximately. 25 neutral boxes	1
73		pallet with approximately. 22 neutral boxes	1
74		pallet with approximately. 60 boxes neutral	1
75		pallet with approximately. 35 neutral boxes	1
76		pallet with approximately. 150 cartons neutral 760x370x242	1
77		pallet with approximately. 16 neutral boxes	1
78	pallet boxes with small neutral	1	
79	S32	pallets containing about 150 sqm of total parquet	2
80	S10	pallet containing light cover SKY	1
81		pallet containing SKY screws	1
82		pallets containing various components SKY	1
83	S17	pallet containing components for column ELTRA	1
84		pallets containing various components ELTRA	2
85	S1	box of electronic boards for doors	1
86		box with various accessories	1
87		box with no. 5 electrical boxes	1
88		units for sliding gates	2
89	S25	pallet containing lids electrical box	1
90		pallet containing lids for internal speakers	1
