

Prog.	Ref.	Description
1	13	Complete line HF welder online WELDAN 1, n. series 3539
2	13	Complete line HF welder online WELDAN 2, n. series 3540
3	13	Complete line HF welder online WELDAN 3, N. 3541 SERIES
4		Assembling CODULINI TECNOIDEAL (SP308)
5	14	assembling TOTAX
6	225	Phases extrusion PVC pipe (ESTURSOIRE No. 2)
7		HF welding machine with rotary table REG. 2
8	66	HF welding machine with rotary table REG. 1
9		Molds and spare parts for HF welding, plant and REG WELDAN
10		Office furniture
11	12	Phases extrusion PVC pipe
13		Suzuki SX4 1.6 cc TD
14	76	Flexographic Printing Plant
15	16	Mold connector PVC catheter with hot chamber and control unit
16	16	Mold catheter connector plug in PE with hot chamber and control unit
17		Metal shelving portapellet
18		ROTOCUT with longitudinal and transverse tape
19	202	Hot stamping
20		Plant air / nr. 2 compressors SK 19 + Kaiser internal distribution network + filters + reservoir)
21	27	Electric forklift Hyster
22	108	Mold T-Valve (Body + plunger)
23		ERGOLINE System 2 with TWINcut cutter
24		ERGOLINE System 2 with TWINcut cutter
25		ERGOLINE System 2 with TWINcut cutter
26		Computers, printers, servers, ect. (2001-2012)
27		Computer (purchase 2012)
28		petite Workshop unit and generic spare parts
29	159	UV dryer for fexo system (connected printing plant)
30	182	READYCUT with motorized unwinder
31	115	for laser diameter gauge tubes (mounted on line astrusore 1)
