

Prog.	Description
1	Vertical refrigerator Klimaitalia brand cl 372 at 220V of the static beverage showcase fridge type with agitator - working and in good condition
2	Refrigerated counter, static version, ductable, LED lighting, built-in, volt-operated refrigeration unit. 220 and refrigerant gas and condensation tray temperatures 0 ° / + 2 ° adjustable by the digital thermostat - working and in good condition
3	TV set TLC brand TV LED HD flat screen HF - working and in good packaging
4	Shelving n. 2 with 3 laminated wood shelves - in good condition
5	Centrifugal air curtain device with infrared remote control included - functional and in good condition
6	Wicker baskets n. 8 of various sizes in good condition
7	Air conditioners n. 2 Universalclima series silver flat white version, with activated carbon filters, anti-dust, vitamin c, anti-allergen - working and in good condition
8	Electric oven brand Moretti Forni with integration of form and function, equipped with energy efficiency, with heat regulation for the top and floor, switch-on timer, cooking programs, doors reinforced and insulated with high-density material with cooking surface suitable for pizzas and bread - working and in good condition
9	Shelves n. 6 display glass with ground edges and fitted with wall brackets - in good condition
10	Back counter corner storage unit with elements common to the main refrigerator counter - in good condition
11	Glass stand and rounded convex lid - in good condition
12	Trays for cakes / cake pans of various shapes n. 6 - in good condition
13	Cabinet for refrigerator counter base and support with doors and surmounted by marble top and brass-colored metal profile - in good condition
14	Stainless steel wall unit with sliding door with shelves - in good condition
15	Tray for dessert holder n. 20 - in good condition
16	Special tools n. 30 for food and stainless steel cutting tongs for baking trays - in good condition
17	Carpigiani brand machine-pasteurizer for the production of creams or pasteurization of ice cream mixes, variable capacity from 15 to 30 liters and operating temperatures ranging from + 1 ° C to 105 ° C, equipped with water condenser, V.400 / 3 + N- working and in fair condition
18	Hanging wardrobe brand Officine Bano International with sliding door in AISI 304 stainless steel al ni / cr18 / 10 - in fair condition
19	Trays n. 6 a cake tin - in fair condition
20	Dessert tray n. 20 - in good condition
21	Cabinet with sliding door in stainless steel with sink and taps. Equipped with water connections, plus adjustable feet - in good condition
22	Wardrobe brand Officine Bano International with double door in AISI 304 stainless steel with ni / cr 18/10 complete with n. 12 shelves and containers - in fair condition
23	Stainless steel wall cabinet with three individual liquor cupboards - in fair condition
24	Stainless steel workbench with shelves and drawer units with sliding door - in good condition
25	Stainless steel work table with shelf and small chest of drawers - in acceptable condition
26	Containers n. 2 circular shaped stainless steel - in good condition
27	Containers n. 4 for cheesecake - in fair condition
28	Gottardo brand furniture and sliding stainless steel containers - in fair condition
29	Modular kitchen set in stainless steel with taps and composed of n. 2 stoves with Lotus fryer as well as n. 2 Gottardo chocolatiers and pot with ladle with n. 4 containers always in stainless steel. The kitchen set comes with adjustable feet and mesh connections - in fair condition
30	Food tool and container with steel handle - in fair condition
31	Steel food utensils - in fair condition
32	Gottardo brand wall unit in stainless steel with sliding door and n. 10 chest of drawers - in fair condition
33	Induction kettle plate in steel as well as the container for dispensing liquids - in fair condition

Prog.	Description
34	Rectangular containers n. 3 stainless steel cheese cake - in fair condition
35	Thermo-fridge on optical white with horizontal door and internal shelves - in fair condition
36	Direct draft steel filter hood for fume extraction equipped with filters and exhaust holes with variable hourly flow - working and in fair condition
37	Thermal process system for cooking foods brand FO.M.AR, with electric line that feeds the cooking chamber and cable of the line for the hob to support the maximum current supplied by the meter and avoid overloads - system not working
38	Stainless steel containers - in good condition
39	Single-phase 220-230 Volt electric appliance for centrifuge - working and in fair condition
40	Electric chopper with single-phase 220-230 V power supply - in fair condition
41	Electronic scale with large backlit LCD display compatible with limited weights with acceptable sensitivity - working and in good condition
42	Container n. 2 in Gottardo brand stainless steel - in good condition
43	Special tools for pastry n. 8 - in good condition
44	White Daewoo microwave oven with 20 lt capacity and 700w power - working and in fair condition
45	Various conical tools n. 12 - in fair condition
46	Electronic scale with backlit LCD display compatible with limited weights with acceptable sensitivity - working and in good condition
47	Gottardo brand workbench with drawer unit and sliding containers in stainless steel - in fair condition
48	Electric oven with max operating temperature 500 ° C with 2 cooking surfaces for pizzas with energy efficiency and heat regulator, switch-on timer and cooking programs, doors
49	Nardone Martino multi-shelf fridge appliance, working at volt. 220 and condensation tray temperatures 0 ° / -18 ° adjustable by the digital thermostat - working and in good condition
50	Rectangular workbench in stainless steel with n. 2 drawers with shelf - in good condition
51	Metal containers n. 18 for baking cakes - in good condition
52	Stainless steel fryer n. 2 with insulated handles - in fair condition
53	Stainless steel containers n. 2 - in good condition
54	Electric steel slicer brand F.lli Bottaro with 220V operating voltage - in good condition
55	Heavy metal bread dispenser with manual system - barely acceptable conditions
56	Alfa brand clock scales scales for industrial weighing - in fair condition
57	Metal shelves n. 6 for leavening bread - in fair condition
58	Wooden containers n. 9 with bread rollers - in fair condition
59	Metal containers n. 4 also for single body assemblies - in fair condition
60	Trolleys n. 5 tray racks with shelves - in fair condition
61	Tray trolley with pizza shelves - in fair condition
62	Electric taralli warmer on a fixed foot base in stainless steel with 400 Volt / 50 Hz power supply equipped with a lever arm - operating in fair conditions
63	Amitek branded ventilated refrigerated counter with three doors in AISI304 stainless steel with electric resistance inserted and adjustable feet with operating temperature -2 / + 8 ° energy class D-working in fair conditions
64	Electric centrifuge with 220 Volt / 50 Hz power supply - working in good condition
65	Forming machine with two cylinders - base and shoulders in painted steel with three-phase power supply 400 Volt-50Hz and chromed cylinders and trays in stainless steel - working in fair conditions
66	Sheeter machine for fresh pasta with three-phase power supply Volt 400-50 Hz - working in fair conditions
67	Counter with Gottardo brand stainless steel drawer - in fair condition
68	Compact 30 kg double arm inverter mixers with 400 Volt-50 Hz three-phase power supply - working in fair conditions
69	Compact spiral dough mixer with three-phase 400 Volt-50 Hz power supply - working in fair conditions

Prog.	Description
70	3m spiral mixer with liftable head capacity 60 kg with three-phase power supply 400 Volt-50 Hz with liftable head - working in fair conditions
71	Free top brand Inox-Bim + electric fryer with 2 tanks completely in stainless steel - working in fair condition
72	Stainless steel baskets for pasta stamps brand Inox-Bim - working in fair condition
73	Cabinet with sliding doors with sink and taps equipped with connection for hot and cold water - working in fair condition
74	Refrigerator with two doors static version 220 Volt power supply and condensation tray temperatures + 18 ° / + 2 ° adjustable by the thermostat - working and in good condition
75	Tables n. 2 wooden three-storey - in fair condition
76	Microwave oven with single-phase power supply and 220 Volt voltage - working and in fair condition
77	Stainless steel Bim brand 4-burner kitchen cabinet - functional and in fair condition
78	Double door stainless steel duplex cabinet with internal shelves - in fair condition
79	Dishwasher with external stainless steel 220 Volt single-phase power supply - working and in good condition
80	Plates + pots # 35 - various sizes - in fair condition
81	Meat mincer / grater 220 Volt power supply complete with stainless steel support surface - working and in fair condition
82	Thermal containers for catering n. 6 - in acceptable conditions
83	Rectangular stainless steel work table with base and bottom support - in fair condition
84	Fixed 2-door stainless steel cabinet with internal shelves - in fair condition
85	Two-door refrigerator, 200 Volt power supply with condensation tray, temperatures between + 18 ° C / + 2 ° C, adjustable by the thermostat - working and in good condition
86	Steel shelving in place complete with assembly with reinforced shelves - in fair condition
87	System for ovens of the Mondial Forni brand equipped with masonry structure and thermo-electric system in addition to the compressor with expulsion of fumes from steel pipes with forced draft three-phase power supply 400 Volt-50 Hz - not working
88	Cash register approved for 220 Volt power supply - working in fair condition
